## **N2W IT and Security Acquisition Planning**

**Position ID: 2017 – EM – 626**

**Position Location: St. Louis**

**Duration of Position: Full-Time**

**Security Clearance TS/SCI  
(TS/SCI Clearance REQUIRED)**

**Need Date: Immediate**

---

**Intelligence Consulting Enterprise Solutions, INC.** is looking for an **IT and Security Acquisition Planner**.

### **Description:**

- Assist the government with developing the N2W IT and Security Acquisition Strategies and Analysis of Alternatives.
- Assist the government in coordinating with the IT Enterprise Managed Services (ITEMS) and Intelligence Community IT Enterprise (IC ITE) Program Offices to help determine N2W IT acquisition recommendations.
- Assist the government in coordinating with SI BX and OCS to help determine N2W Security acquisition recommendations.
- Assist the government with developing N2W IT and Security requirements, Statements of Work (SOW), and IT and Security acquisition strategies.
- Assist the government with preparing N2W Acquisition Strategy briefings for the Acquisition Working Group (ACQWG), NGA Acquisition Review Board (NARB), and other review boards.
- Assist N2W PMO at Acquisition Review Boards (ACQWG, MTRB, Investment Review Board (IRB)).
- Assist with finalizing N2W IT and Security acquisition documents, leading to final N2W IT and Security Contracts.
- Support monitoring of contract performance, providing consolidated summary data on cost, schedule and performance to the N2W PMO.
- Support development of technical presentations to senior-level leaders.

### **Required Qualifications:**

- Bachelor's degree in a related field and 12 years of experience/8 years of specialized experience.
- Experience with complex acquisition and integration programs. Experience should reflect multi-agency and multi-systems integration.
- Technical experience supporting Intelligence Community (IC)/National system for Geospatial Intelligence (NSG) systems infrastructure.
- Systems or Information Technology (IT) engineering, integration, or development experience.

### **Desired Qualifications:**

- Graduate degree in a related field.
- Knowledge of the Acquisition Working Group (ACQWG), Portfolio Integration Board (PIB), Mission Integration Board (MIB) and NGA Acquisition review Board (NARB) processes.
- Demonstrate and express relevant examples of when you utilized written and verbal communication skills for senior-level leaders and the impacting outcomes.
- Demonstrate moments when critical thinking was utilized for problem identification, analysis and resolution on challenging issues.
